

# 2022 Vision Worksheet

---

Nothing's ever perfect, that's for sure! What things from 2021 do you absolutely want to be free of? What were you doing in 2021 that you definitely don't want to do in 2022?

What would you love to start doing in 2022 that you had a hard time getting off the ground in 2021? What new things do you want to add into your life?

Looking back at 2021, what were you doing that worked well? What do you want to keep from 2021 as you move into 2022?

My guiding word for 2022 is...

My mantra for 2022 is...

My key affirmation for 2022 is...

## Start, Keep, Ditch

List 3 to 5 things that you're ready to start doing, keep doing, or ditch altogether in your life or magickal practice right now. You get big karma point if you can also explain fully why you pick each one and your intention behind your chosen action.
